

THE GOOD COPIER VENDOR CHECKLIST

Choosing the best copier vendor can be a daunting task. Here's a handy checklist to help you find the best fit. If you find a vendor that ticks off each of these items, you've found a keeper.

- They have 1 or more fully-stocked locations near your business
- Copier purchase includes free setup & installation
- Supply delivery is free
- They provide free ongoing copier training
- They offer leasing options
- They employ factory-trained service technicians
- They offer the option to place your copier under a Maintenance Contract
- They have a Satisfaction Guarantee
- They offer other products/services I might need
- They have positive Google reviews
