

Four Reasons You Need **EKM Insight**

Take Total Control over Your Printer Fleet.

#1 Maximize Uptime

- ✓ Alerts vendor of toner outages before they happen
- ✓ Alerts service needs - so a technician can prevent down time
- ✓ Automatic detection of printer moves and changes

#3 Streamline Metering

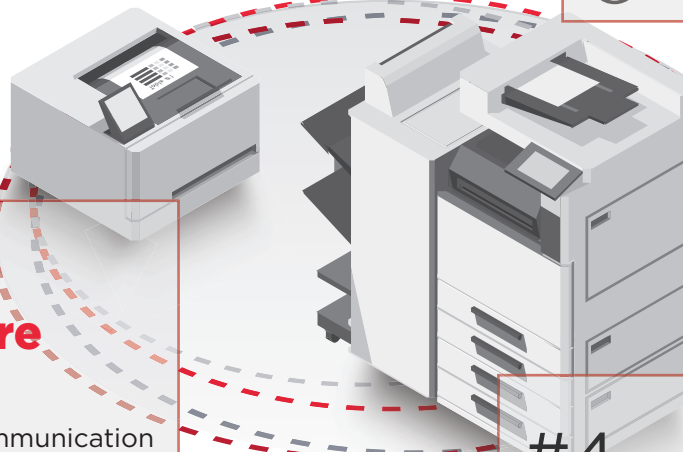

- ✓ Automated page count collection
- ✓ Avoid extra emails and phone calls
- ✓ No billing surprises

#2 Stay Secure

- ✓ Secure Cloud-based communication
- ✓ Only printer related data is collected
- ✓ Low-impact, self-optimizing, self-healing, integrated data collection solution
- ✓ Military-grade security such as SNMPv3 & XMPP for monitoring and communicating 100% data transfer, even with a network or power outage

#4 Take Charge

- ✓ Track print volumes and toner usage
- ✓ Know where and how to optimize volumes

The world's most robust Managed Print Service solution on the market today.
